Forecast for Thursday 29 Sep 2022

Weather: After a dull start remaining rather cloudy for the morning but an increasing number of sunny spells developing for the afternoon. An isolated shower is still possible during the morning but it will be a fine day with plenty of dry weather. Clear intervals continuing into the evening with winds easing.

Chance of cloud-free hill tops above 600m: 40% during the morning, improving to 70% for the afternoon.

Low cloud and visibility: Cloud obscuring tops above 500 metres at first, lifting above the summits and breaking up for the afternoon. Generally very good visibility, falling to moderate with any showers.

**Level above which ground is expected to be frozen/snow is expected to settle.*

Meteorologist's View

Slopes may be slippery following overnight rain so take care of your footing whilst the ground dries.

Recent rainfall: measured at Neuadd: altitude 353m

Recorded at	Last 24 hours:	Last 48 hours:	Last 72 hours:
02:00 on Thu 29 Sep 2022	3.8mm	5.6mm	11.8mm

Forecast for Friday 30 Sep 2022

Weather: Initial clear skies may allow mist and fog patches in the valleys. Skies clouding over during the morning and continuing to lower ahead of heavy rain arriving late morning and early afternoon. The rain will clear into the evening with some clear spells developing for the night.

Maximum wind: 10mph southerly winds on the hills to begin the day will strengthen to 40mph southwesterlies as rain sweeps through, with gusts to severe gale strength of 60mph over the summits.

Chance of cloud-free hill tops 600m: 80% or greater at the very start and end of the day, dropping to 30% during the middle of the day.

Low cloud and visibility: Cloud lowering throughout the morning to bases of 400-500m during the heaviest of the rain, shrouding many slopes. Visibility becoming very poor in the heavy rain and poor during any morning valley fog.

Temperature: **Valleys:** Plus 6 Celsius, rising to plus 18 Celsius.
At 600m: Plus 5 Celsius, rising to plus 9 Celsius.
Freezing level: Above the summits.
